Article 2. Motion to raise and appropriate the amount of $7170.00 to defray Town Charges by Eli N. Noyes was passed.

Article 3. Motion by Arthur H. Newell to raise and appropriate the sum of $1500.00 for General Highway Expense was seconded by J. Gardiner Mills and carried by the Meeting.

Article 4. Motion made by J. Gardiner Mills to raise and appropriate $6500.00 for Summer Maintenance was seconded by Arthur H. Newell and passed.

Article 5. Motion by Earl Hadley to pass over this article was defeated.

A motion for passage of the article was then introduced by William L. Merrill and amended by Eli N. Noyes.

That the amount of Auto Permit money be earmarked as a deficit appropriation.

Defeat for this motion.

Again a motion by Earl Hadley to pass over the article was defeated.

A motion was then introduced by Kenneth Cowan that Selectmen be authorized to appropriate in each year an amount for applying tar to our Class V and/or T.R.A. roads in an amount equal to at least and not to exceed the amount of revenue received from Motor Vehicles Fees in the preceeding year.

Amendment that twenty percent of this amount be used to reduce the deficit was then presented by Joseph Iriana and defeated.

Mr. Cowan then withdrew his motion.

Motion by Richard Frink to rescind last year's motion passed.

Mr. Cowan's motion was again placed and this time was passed by the assembly.

Article 6. A motion by J. Gardiner Mills to pass over this article and seconded by Robert Baker won.

The Library Trustees wish to thank the many friends of the Library who have given books and money in memory of friends and relatives. We received several fine children's books from Mr. Walter Anthony and Miss Marian Anthony in memory of Mrs. Abbie Anthony. With money from the fund given in memory of Mrs. Baker a set of books on Fire Fighting training was purchased. The ma-

jority of the books bought this year were for the children who are using the Library much more extensively.

## REPORT OF THE FIRE DEPARTMENT

The Dunbarton Volunteer Fire Dept. Inc.
Dunbarton, N. H.

Your Fire Dept. responded to 15 alarms during the past year, Jan. 1st to Dec. 31st.

| | |
|---|---|
| 6 Brush Fires | No Property Damage |
| 3 Chimney Fires | No Property Damage |
| 1 Oil Space Heater | No Property Damage |
| 2 Dwellings | $17,700 Damage |
| 1 Saw Mill | $1,000 Damage |
| 1 Auto Accident | |
| 1 Dwelling Fire in Bow | |

During the past year 8 waterholes were dug at a very reasonable price by John Haefield of Goffstown. A purchase of 300′ of 2½″ Double Jacket Hose was made. Presently plans are being made to purchase a 5 HP Siren to be located at the center. Funds donated and raised by members are expected to make this purchase possible.

Mr. Fife of the N.H. Board of Underwriters met with me on Dec. 19, 1956. I requested this meeting to find out if there was any practical way to get a decrease in our fire insurance rates. The fire apparatus and fire fighting equipment will qualify as is, but deficiencies were found in the Station and Alarm Facilities. Below I shall list his recommendations to meet requirements.

1. Provide a fire alarm sounding device to be either an electric siren of not less than 5 HP or a suitably arranged compressed air whistle.
2. Compliance of either section of this recommendation is considered to be compliance with the whole.
   a. Provide a new fire station to be constructed in accordance with the requirements of Section A, of the pamphlet Community Fire Defenses.

b. Concerning the existing building.

1. Provide an 8" Concrete Block Firewall where present fire station adjoins the town garage. This wall must extend through the roof and sidewalls of the building. Any openings in the wall must be protected by approved class "A" fire doors.
2. Provide an approved heating system installed in accordance with the Standards for Community Fire Defenses and with the N. H. State Laws. This may be either in a cutoff boiler room or may be of a type specially approved for garage occupancy.
3. Provide meeting room, emergency sleeping, kitchen and toilet facilities.
4. Complete the installation of the concrete floor.

By compliance to these recommendations we will be eligible for a reclassification of insurance rates. This would at present result in an approximate 30% reduction in fire insurance rates for dwellings within 2 miles, by road, of the fire station.

JOHN R. SWINDLEHURST,
*Fire Chief*

## SCHOOL WARRANT

### THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the town of Dunbarton qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said Dunbarton on the 9th day of March, 1957, at 3 o'clock in the afternoon, and to cast ballots from that hour until at least eight o'clock in the evening of said day for candidates for the following district officers:

1. Moderator (for the ensuing year).
2. Clerk (for the ensuing year).
3. Member of the School Board for the ensuing three years.
4. Treasurer (for the ensuing year).
5. Auditor (for the ensuing year).

You are also notified to meet at the same place at eight o'clock in the evening of the same day, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officer of the district.

2. To hear the reports of Agents, Auditors, and Committees, or Officers chosen, and pass any vote relating thereto.

3. To choose Agents and Committees in relation to any subject embraced in this warrant.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund to-

gether with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

5. To see if the District will authorize the School Board to contract with Concord, Manchester and Goffstown School Districts and School Departments for the tuition of Dunbarton pupils in the high schools of said districts at an amount necessary to provide therefor.

6. To see if the District will vote to appropriate any funds received from tuition for so-called state wards toward payment of general expenses of the school year 1956-57.

7. To see what sum of money the District will vote to appropriate as a deficiency appropriation for the school year 1956-57, such deficiency arising from unanticipated expenses.

8. To transact any other business that may legally come before said meeting.

Given under our hands at said Dunbarton this fourth day of February, 1957.

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Dunbarton:

The current school year opened with approximately the same pupil enrollment as a year ago. We were fortunate in having no changes in our teaching staff.

The school warrant for your action at the March meeting contains the customary articles regarding the election of officers and the consideration of the budget as prepared by the School Board. In addition there are listed several so-called special articles.

An article is included relative to the payment of tuition on high school pupils in neighboring districts. In order that the School Board may legally pay tuition in excess of the statutory limits requires a vote of the district. The law states that a district is liable to the state average costs or the costs of the receiving district, which ever amount is the lesser. At the present time Concord is charging in 1957-58 approximately $30 over the state average, while Goffstown and Manchester are within a few dollars of the State average. Adoption of the article will allow the School Board to pay the full tuition in all cases.

The Board has also included an article to appropriate such sums as are received from tuition on state wards to the general fund. At this writing it is uncertain as to the amount we might receive in excess of our payments to other districts. Approval of the article will allow such funds to be used in our general fund, and to reduce the over-run on the 1955-56 budget. It will be recalled that the district authorized the expenditure of $15,000 for the addition to the Center School. Upon receipt of the bids it seemed advisable to the Board to borrow but $12,500. When the project was

completed and all expenses tabulated it was apparent that we had expended $12,794.42 on the addition, or an over-run of $294.42. We also had an interest charge of $82.63 and insurance costs of $395.50 making a total deficit on the project of $772.55. Other budgetary overdrafts of $223.25 made a total deficit of $995.80 as of June 30, 1956.

During the current year our transportation on the routes of Mr. Robert Baker necessitated the purchase of a larger bus. The tuition liabilities for the current year will also be some $350 in excess of the budget estimate. It is the intent of Article #7 to provide the necessary funds for these current expenditures.

## 1957-58 Budget

The total operating budget as proposed by the School Board is some $5,500 greater than the budget submitted a year ago. Of this amount, $1,000 is in the item of floating funds under the school lunch and has no effect on the tax rate since that amount appears on both sides of the budget. The principal increase in the budget is for transportation and tuition, the transportation figure being increased by approximately $1,000 for reasons previously explained. The tuition item is increased some $2,200 due not only to the slightly higher tuition rates in the receiving districts, but more particularly to an increase in the number of high school pupils. The remainder of the increase in the base budget is scattered over a number of budget items and can be determined upon examination of the proposed budget.

On the income side of the budget we have an increase of some $1,200 in the item of State Equalization Aid. The legislation now before the General Court calls for an increase in State Aid which would seem to guarantee Dunbarton at least $3,200 for the year 1957-58.

The net effect on the tax levy considering the above fac-

tors would be an increase of approximately $3,400 on the base budget, not including the item for the deficiency appropriation.

Respectfully submitted,

LEWIS F. FOOTE,

*Supt. of Schools*

## DUNBARTON ANNUAL SCHOOL HEALTH REPORT

September 1955 — June 1956

I am submitting my fifth annual report of the Health Services given in the Dunbarton Schools for the period of 1955-1956.

At the beginning of the school year, all children were inspected, weighed, measured, and given a vision and hearing test.

All children in Grades one, four, seven, and all new children were examined by Dr. Albert Snay of Goffstown.

Notices were sent to parents of those children who had any condition which deviated from the normal.

| Notices Sent | | Received Care | |
|---|---|---|---|
| Vision | 2 | Vision | 4 |
| Hearing | 1 | Hearing | 1 |

| | |
|---|---|
| Tonsils 7 | Tonsils 6 |
| Posture 1 | Posture 1 |
| Teeth 20 | Teeth 36 |

Reported Communicable Diseases

| | |
|---|---|
| Chicken Pox 3 | Ringworm 1 |
| German Measles 5 | |

14 home visits were made during the year and 26 first aids given.

In October, 1955, 44 children received their first innoculation of Salk Polio vaccine, and 26 children their second innoculation.

This fall another Polio Clinic was held at Dunbarton. At this clinic first, second, and third innoculations were given.

45 children were given the Patch Test and all were negative.

Registration was held in May with 9 children attending.

At the present time we have one child attending the Convulsive Disorder Clinic, one at the Orthopedic Clinic, and one at the Pediatric Clinic.

Glasses were obtained for one child through the Sight Conservation Program.

I wish to express my thanks to the Superintendent, Parents, Teachers, and School Board for their cooperation.

Respectfully submitted,
BEATRICE BOCKUS, R.N.

To the Selectmen:

Each year there is a demand for a statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely,
Thos. J. King,
District Fire Chief

*Your Town Dump*

*Use It Freely* *Care For It*

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.

2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty

*Use your dump freely* *Help Keep it safe*
